# TO THE NURSERY TRADE

In presenting you with our regular Fall Wholesale Trade List for this season we wish to thank our customers and friends for the liberal patronage given us in the past, and we hope to have the pleasure of serving you more in the future.

**TERMS AND CONDITIONS:** Five (5) per cent discount and free boxing and packing for cash with order. Free packing does not apply to balled and burlapped items. Open Accounts (on known or approved credit rating), two (2) per cent ten days; one (1) per cent twenty days; net, **thirty days from date of shipment**. Interest at six (6) per cent charged on all past-due accounts.

Orders for less than ten of a variety or grade will be invoiced at an **ADVANCE OF 25% OVER THE TEN RATE REGARDLESS OF THE SIZE OF THE ORDER**, except in Conifers and Broadleaf Evergreens where the "Per Each" and "Per 10" rates apply.

Prices in this list are subject to market changes without notice and cancel all previous printed prices.

We charge for boxing and baling at cost of material used. When stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. We are careful to keep our varieties true to name as labeled, and we will replace, on proper proof, any stock that may prove otherwise, free of charge, or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. **No claims will be considered unless made in writing within ten days after receipt of goods.**

**SHIPPING**—We request our customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions, we use our best judgment, but

without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

**TRUCK SERVICE**—We are in a position to make deliveries with our own truck and also have access to some local delivery trucks for hire and can make deliveries unless prevented by Federal or State regulation laws or gas rationing.

If interested in a truckload delivery, write us and we will try to make arrangements.
